

## **Author Agreement**

### **Please carefully read through the statements below before checking items**

All authors must agree to the below statements in order to submit an article to Language Documentation and Description. If you do not agree with these terms you will be unable to proceed with your submission.

## **Publication Fees**

Language Documentation and Description does not charge Publication Fees

Author(s) agrees to the above statement

## **Submission Checklist**

1. The submission has not been previously published, in part or in whole, nor is it before another journal for consideration.
2. All authors qualify as authors and have given their permission to be listed on the submitted paper.
3. Authors commit to obtaining all necessary permissions to use third-party material upon acceptance of their manuscript for publication.
4. Authors commit to adhering to the stylistic and bibliographic requirements outlined in the Author Guidelines upon the manuscript's acceptance for publication.
5. All tables are cited in the main text and are included within the main text document.
6. All figures are cited in the main text and are uploaded as supplementary files. Figures and images have a resolution of at least 150dpi (300dpi or above preferred). The files are in one of the following formats: JPG, TIFF, GIF, PNG, EPS (to maximise quality, the original source file is preferred).
7. Authors have obtained all necessary ethics approvals to conduct and publish the research reported in their submission.
8. The authors have declared any conflicts of interest or confirmed that they have no conflicts of interest.
9. ORCID identifiers are provided for authors, if practicable.
10. Every effort has been made to ensure that the submission has been blinded for peer review, or else the author has specifically arranged for single-blind review in consultation with the editor.
11. Any use of AI tools in writing the manuscript, producing images or graphical elements for the paper, or in the collection and analysis of data, are disclosed.

Author(s) confirms that this article adheres to the above requirements

## **Copyright Notice**

Authors who publish with this journal agree to the following terms. If a submission is rejected or withdrawn prior to publication, all rights return to the author(s):

Authors retain copyright and grant the journal right of first publication with the work simultaneously licensed under a Creative Commons Attribution (CC BY), Creative Commons Attribution-Share Alike (CC BY-SA), Creative Commons Attribution-Non-commercial (CC BY-NC), or Creative Commons Attribution-Non-commercial-Share Alike (CC BY-NC-SA) 4.0 International license that allows others to share the work with an acknowledgement of the work's authorship and initial publication in this journal.

Provided they are the owners of the copyright to their work, authors are able to enter into separate, additional contractual arrangements for the non-exclusive distribution of the journal's published version of the work (e.g., post it to an institutional repository, in a journal or publish it in a book), with an acknowledgment of its initial publication in this journal.

Authors are permitted and encouraged to post their work online (e.g., in institutional repositories or on their website) prior to and during the submission process.

Submitting to the journal implicitly confirms that all named authors and rights holders have agreed to the above terms of publication. It is the submitting author's responsibility to ensure all authors and relevant institutional bodies have given their agreement at the point of submission.

It will be the responsibility of the authors to secure all necessary copyright permissions for the use of third-party materials in their manuscript. Authors will be required to provide written evidence of this permission upon acceptance of their manuscript.

Author(s) agree to the copyright notice, which will apply to this submission if accepted
